During the Arizona Highland Celtic Festival a wide variety of cultural entertainment will be showcased in Flagstaff for a tremendous time of fun. From the excitement of Scottish athletics, including a variety of heavy games, to the distinct sound of Celtic music, good times and celebration are what to expect! Events typical to the Arizona Highland Celtic Festival include athletics & dance competitions, arts & crafts, live music and much more.

In addition to the constant stream of events that will be happening at Foxglenn Park over the course of the weekend, there will also be Celtic-related activities taking place throughout Flagstaff. From free downtown concerts to special whiskey tastings, the entire town gets in the spirit during the Arizona Highland Celtic Festival.

Over that past 12 years the organization has put countless hours of heart and soul work into making the Arizona Highland Celtic Festival a success. The event has grown from a small event in Wheeler Park to a large event attracting over 8000 people in Foxglenn Park. In the spirit of community the success of the event has allowed the NACHS folks to give back to the community by providing scholarships, giving to the library and food bank as well as by supporting other events.
