

Nominee: Circus Bacchus  
Category: Performing Arts

Circus Bacchus is a unique and quirky with a dozen performers, each with unique personalities. The group can cater to different ages and different themes, having a kid-friendly performance for school groups or birthday parties, or something a little more risqué for an interesting adult party. They are talented also, spinning poi, juggling, dancing, and great acting. They are very accommodating and friendly and worth checking out if not booking for your own event.

Circus Bacchus is a collective of performers based out of Flagstaff, Arizona started in August 2007 by a group of friends who believe that circus-style performance presents a unique medium for the art they want to display.

Circus Bacchus is proud to feature acts such as Atlas the Strongman, hula hoop, poi, aerial silks, stilts, juggling, acrobalance, fans, burlesque, many dancers and often times fire! All of our acts are choreographed to the beautiful and exhilarating tunes provided by the nine-person Bacchus Family Band.

Circus Bacchus has performed for Northern Arizona University, the Coconino Center for the Arts, the Technomania Circus (San Diego, California), the Coconino County Fair, The Flagstaff Orpheum, Northern Lights Parade, Hullabaloo, The Hotel Monte Vista, The Green Room and most notably every First Friday at Electric Kingdom. We love and embrace what we do, and have a great time doing it.
